How Much to Tip a Dog Sitter

If your pet sitter takes exceptional care of your animals, should you tip them? Understanding how much to tip a dog sitter can be a challenge but here are some TIPS. Read the full guide here: topdogtips.com/how-much-to-tip-a-dog-sitter/ Pet sitters charge you a fee, but is that good enough? The short answer is no. The sitter doesn't receive 100% of that money. If they work for an agency, they probably only receive a small percentage of the rate that you pay. "Tip what you can afford. If 15% doesn't fit in your budget, leave whatever you can afford. Some people prefer to leave a flat fee tip each time they hire a pet sitter. For example, you may feel comfortable leaving a \$5 tip no matter what the pet sitter's rate is."
