NEVER TOO SMALL 27sqm/291sqft Small House Design - The Brook

Install Redecor for Free redecor.onelink.me/uvAu/ee777039 and begin styling up Monica's Living Room from Friends! Designed to feel like a New York style apartment yet appropriate for a regional setting, The Brook is a fully off-grid, transportable small house design that explores the use of recycled and restored materials. The double-height created by the expandable roof not only creates an additional sense of space and room for storage, but allows for a walkable height mezzanine level to accommodate a bedroom and home office. The ladder to the mezzanine also folds up to allow for more living and dining space. Through the clever utilization of space and thoughtful selection of materials, The Brooke feels like the perfect combination of luxury and rustic living. #offgrid #architecture #tinyhouse Music: Blossoming Thought by Emmanuel Jacob Produced by New Mac Video Agency Creator: Colin Chee Director/Camera Operator: Colin Chee Producer: Lindsay Barnard Editor: Colin Chee

Most Beautiful Country Cottages | Beautiful Small House Design Ideas

Most Beautiful Country Cottages | Beautiful Small House Design Ideas 1. Cottage Charmer The Homeowners A century ago a seamstress lived and worked here, hemming dresses and sewing draperies in one of the front bedrooms. Today, a pair of lifelong friends share this restored circa-1917 cottage, set on the periphery of the carefully preserved village of Pinehurst, North Carolina. The town was laid out in the 1890s as a planned resort community, and period homes grand and small still line its picturesque curving streets, as well as more modest dwellings, such as this one. "One part of the village was for the resort workers, with horse stables, blacksmith shops, and simple homes where employees lived and worked, like this one," says Marilyn Barrett of the house she and Catherine Vrdolyak own and share. This modern Tiny House was built for \$75k & it's gorgeous!

Sierra and Lucas downsized into a DIY 380 square foot Tiny House on wheels. It's modern, with a stunning and spacious interior. They wanted a design that will allow them to grow their family, so the home includes an extra downstairs bedroom, a HUGE loft, a full bathroom w/ a tub, a full size washer & dryer, and a gorgeous kitchen. They live in an affordable new Tiny House community in Durango, Colorado. MORE ON THIS TINY HOME COMMUNITY:
