True Cost of a Home Gym (Is a Home Gym or Commercial Gym BETTER)

What is the true cost of a home gym? Should everyone build a home or garage gym? What are the pros and cons of having your own gym vs a commercial gym? In this video we'll do a cost breakdown of my gym equipment, talk about the positives and negatives that come with a home gym, and do a quick gym build of all new items to see if purchasing new or finding deals can work for you. There's a lot of reasons to build your own gym, convenience, save time, and the list goes on but I hear a lot of people touting home gyms and I'm not sure it's for everybody in every situation which is what I attempt to address here.
