### The REAL COST of Preparing Land For a New Manufactured Home

Preparing raw land for a new manufactured home can be expensive. Manufactured homes can be placed in Mobile Home Parks, on serviced lots or on unserviced lots. In this video I break down the costs prepping an unserviced lot for a new manufactured home. This property is .39 acres which is big for in town in my area. The costs we have so far include: - removing an old concrete man hole - removing trees and excess wood/debris - preparing manufactured home site - installing a septic system Follow along and learn how much it costs to prepare an empty property for a new manufactured home using real quotes. ### Costs of building a manufactured home | Century 21 Novus

Mobile Homes or modular homes are a viable option for looking for land to build on with not having the funds to build a home, but research before committing to it. The costs of having it up to code and approved by the county could sneak up on you if not careful. Timecodes 0:00 - Intro 0:31 - Costs after the land and mobile home have been acquired. 1:41 - Total cost 1:52 - Final remarks \_\_\_\_\_ Hey y'all!

I'm a full time real estate agent located west of Atlanta, in Carrollton, Georgia. I actively list and sell homes, land, and commercial properties every day with the help of my amazing team and brokerage. This channel is a way for me to give back through leading and demonstrating examples of professional video, as well as iPhone and GoPro content. This is not your typical lame real estate channel! We all have random hobbies and interests that we can share to earn the trust of the people that we want to do business with.
