### Is the Google Home Max Still Worth It

Sponsored by NordVPN. Try it out and get 70% off a three-year plan + 3 months free! Click here: [chromeunboxed.com/nordvpn](https://chromeunboxed.com/nordvpn) Shop Google Home Max on Chrome Shop: [chrishop.com/google-home-max/](https://chrishop.com/google-home-max/) This isn't a review, per se, but a look back on all the time we've spent with one of the most-used pieces of tech in our office. Like a good refrigerator or washing machine, devices like the Google Home Max can become so embedded in your day-to-day routine that it becomes easy to forget how exceptional it is. It is easy to get so used to having its proficiency around that you simply forget how good it actually is. So we wanted to take a look back at how we've grown to expect greatness on a daily basis from Google's biggest, baddest speaker. ### Google Home Max Review - 12 Months Later

After a year of ownership, we take a look at if the Google Home Max is worth the cost, what features make it stand out and how the Google Home Max's sound compares to the Google Home Mini and Google Home. #GoogleHome #GoogleAssistant

### Google Nest Hub (2nd gen) review: Say goodbye to wearable sleep tracking

Google is replacing the Nest Hub with a second-gen model that can sense your sleep habits with the help of Soli. It costs \$100 and comes with everything we liked about the first Nest Hub, plus bigger bass and new color options. Is sleep sensing creepy or cool? Let's find out.
