### **DON'T BUY A BRAND NEW MOBILE HOME!**

It's often that mobile home communities sell the idea of buying a mobile home on a 15+ year term with a \$90k+ price tag. WHAA? Why not just purchase a stick built home if that's the case. You should ONLY purchase used manufactured and mobile homes. Just like purchasing a vehicle new, as soon as you drive it off the lot, the value drops! Want to learn how to invest? Our channel takes you through the right ways to build a multi six figure business with mobile homes by simply following a set of principals that we have implemented over the years. Consistency, relationship, delegation, and problem solving. All skill levels can benefit from each and every video. Enjoy! \_\_\_\_\_

This product is great for good consistent energy levels and sharp focus! We have been in the mobile home business for years, and thought why not upload videos about something we can relate to and deal with every day. We have seen the mobile home business come such a long way. In the old days most people referred to mobile homes as a trailer house. However some of the manufactured homes we carry are far from "trailer houses."
