How The Appraisal Process Works When Buying Your Home (First Time Home Buyer)

How The Appraisal Process Works When Buying Your Home (First Time Home Buyer) This video will show you everything about the appraisal process when buying your home. When buying your home, the home appraisal must meet the value of your purchase contract. If you receive a low appraisal then we will have some problems. A house appraisal cost runs anywhere between \$350-\$550.00 depending on the square footage of the home. Your mortgage lender does the house appraisal process and you can not perform an online home appraisal or hire a home appraisal companies to perform the appraisal on the house you are buying.
