Home Depot vs Lowes - Which is Better

You're going to be happy you watched this video! Everyone knows Home Depot is a great place to find tools and appliances, but do the savings stack up to those at Lowes? This video finally answers the age old question which is the better store to shop at Home Depot vs Lowes? I've been shopping at The Home Depot for a long time but I do often shop at Lowe's also so i thought this lowes vs home depot video would be a good video to make. You may have seen a video by Company Man which actually gave me the inspiration for this video + I also got a comment from a viewer asking me to compare the home depot store with the lowes store. Check out Home Depot's Weekly Ad here: thd.co/2LWKYx6 Check out Lowe's Weekly Ad here: low.es/3nwJ4Ag In this video The Deal Guy is showing you why lowes is better than home depot in some respects and why home depot is better than lowes for other reasons. You may have already seen my home depot secrets and lowes secrets video and I thought that instead of doing a home depot deals of the day I would make a video on which store was better. I went into the stores and filmed some footage so this is almost like a home depot shop with me and a lowes shop with me except i'm showing you the home depot deals and lowes deals that you should be paying attention to. Channels like VCG Construction show you deals on some items from time to time but i thought this video would be informative as its like home depot tips and lowes that will have you searching home depot hours, lowes hours and home depot curbside pickup alongside lowes curbside pickup!
