### How to Take a Pregnancy Test at Home | Pregnancy Test Results Live

LIVE pregnancy test results: How to take a pregnancy test at home. In this video, I offer a few tips and demonstrate how to take a pregnancy test at home. I show a side-by-side comparison of a positive pregnancy test result vs a negative pregnancy test result. I also show a time lapse of the pregnancy test progress, and I explain the control vs test lines as well. For the demonstration, I used a pregnancy test called "Assured," which I bought at the Dollar Tree. (Yes, those Dollar Tree pregnancy tests actually work, and they accurately tested positive for both of my pregnancies!) Pregnancy tests like the one I used in this video detect a hormone called hCG (human chorionic gonadotropin). This hormone is released after the placenta attaches to the uterine wall. It is best to take a pregnancy test in the morning, as that is when hCG levels are supposed to be most concentrated. #hcg #pregnancytest #pregnant #nurse Notes: registerednursern.com/how-to-administer-or-take-a-pregnancy-test/ Website: registerednursern.com/ More Videos: youtube.com/watch?v=R2XMro13dD0&list=UUPyMN8DzkFI2\_\_xnTEiGZ1w Nursing Gear: teespring.com/stores/registerednursern Instagram: instagram.com/registerednursern\_com/ Facebook: facebook.com/RegisteredNurseRNs Twitter: twitter.com/NursesRN Popular Playlists: NCLEX Reviews: youtube.com/playlist?list=PLQrdx7rRsKfWtwCDmLHyX2UeHofCIcgo0 Fluid & Electrolytes: youtube.com/playlist?list=PLQrdx7rRsKfWJSZ9pL8L3Q1dzdIxUzeKv Nursing Skills: youtube.com/playlist?list=PLQrdx7rRsKfUhd\_qQYEbp0Eab3uUKhgKb

### Pregnancy Test: Positive vs Negative Results Time Lapse

Pregnancy test positive vs negative results comparison time lapse. This video contains pregnancy test progression footage in a short time lapse with a positive pregnancy test result vs a negative pregnancy test result. The positive pregnancy test was from a urine sample containing hCG (from Nurse Sarah). The negative pregnancy test contained urine without hCG (from a man). These pregnancy tests were purchased from the Dollar Tree. Pregnancy tests from dollar stores do often work quite well in our experience. The pregnancy test with two lines indicates a positive result. The pregnancy test with one line indicates a negative result.
