### I went to Best Buy to buy a Google home but went home with a laptop instead

Best Buy had the Google Home Mini on sale for \$35, but the Google rep convinced me that my Google Assistant on my Pixel phone could basically do the same things. Somehow I found myself in the computer department and leaving the store with a new HP laptop. The best part of my experience was the awesome associate named Candy, she was super helpful

### Tech Tips: How to set up a Google Home routine.

If you have Google-enabled smart home devices, you can activate multiple actions with a single command. Google calls them Routines. In The Lab, Agent Wells shows you how to create your own custom routine. If you have questions, just leave them below in the comments section, and we'll get back to you. Or if you want help in person, make an appointment with Geek Squad: [bby.me/jj98c](https://bby.me/jj98c).
