Home Decorators Collection Merwry 52 Ceiling Fan

HDC Merwry 52" ceiling fan in matte black finish. These fans have always piqued my interest based off of their blade design and how they perform. Which these perform rather well as I expected. The only downfall is the light design, being a non replaceable plate of LEDs. On this particular fan the drivers are already starting to fail as seen in the video after being only 5 years old, but who knows really how often the light was used in that time.

Replace 2 Blinds - Home Decorators Collection

One of our windows had jacked up blinds. Well, a lot of our windows have jacked up blinds, but these were more jacked up than just normal jacked up. Had to be replaced. The 2" blinds from Home Decorators Collection are super easy to hang. I got mine from Home Depot. They are not exactly cheap. Just one set in the size I bought was around \$32 - yikes. Looks like I'll be doing one blind at a time until they all get replaced. May take a while... #blinds #replaceblinds #2inchblinds #homedecorator #diy #fixityourself #fixityourself #diyhomerepair #diyblinds #twoinchblinds #cordlessblinds #homedecoratorscollection #homedepot // MY MAIN CHANNEL : goo.gl/k71bFo MY 3rd CHANNEL: goo.gl/oHG8cr My Website: MakeCookFix.com
