www.thespruce.com > electrical-inspectorRequirements for Electrical Inspector Checkpoints

Aug 31, 2021 · A level of trust develops between inspectors and skilled contractors, and the inspections may be little more than formalities. But you should expect a more detailed inspection if you are doing the electrical work yourself. There is good reason for this. Inspectors want to make sure that amateur work is being done "up to code" and is perfectly safe.

Any votes that do end up getting taken at the meetings are obviously lined up ahead of time amongst the other trustees. They make an effort to humor me with some "debate", but I can tell how it is going to end before it even starts. I know there is much more actually going on - having sat in the middle of it for several years.

Home Inspector Training Advice

Today I'll share my advice on how to become a home inspector. I blogged on this topic back in 2011, and again in 2016, but things change and it's time for another update. I'm writing this because I get a ton of phone calls and emails from people who want to get into the home inspection business. Instead of sharing the first thing that comes into my head during these conversations, I'm putting down all of the most frequently asked questions right here.
