### What are the three different types of foundations and which one does my house have

Every house sits on a foundation. In this video, Dave discusses the three different types of foundations and explains how to tell which one your house has.

### How Much Does It Cost To Fix A Foundation - Here's a Great Tip To Help Save You Money

chazhorn.com - How Much Does It Cost To Fix A Foundation How Much Does It Cost To Fix A Foundation It's hard to estimate how much does it cost to fix a foundation. I started having cracks in my foundation and walls seemed to be shifting inside my home. I started to get pretty worried and nervous, so I started researching how much does it cost to fix a foundation. What I found was startling. I had many foundation companies out to give me quotes and I was getting anywhere from \$30,000 down to \$3,000. I had no idea what to do! How Much Does It Cost To Fix A Foundation I called a few realtors to see if they could give me an idea on how much does it cost to fix a foundation. What they suggested - and I'm so glad that they did - was to get a structural engineer's opinion. After I got the opinion of a structural engineer, I was able to make an educated decision on how much does it cost to fix a foundation and was able to obtain an average cost of foundation repair based on my needs. Above and beyond the foundation work, I have to replace a large amount of landscaping due to the foundation work. Good luck with your foundation repair! Keywords: How Much Does It Cost To Fix A Foundation Tips To Help Save Money on Foundation Repair Foundation Repair Cost of Foundation Repair
