Check out my latest mobile home investment. While I invest in all kinds of things, mobile homes tend to be my highest return investments, and I've done a bunch of them. In this video, I show you what I typically do on the exterior of a manufactured home. It's quite a remarkable transformation from a dated looking trailer home, to a modern looking mobile home that anyone can be proud to live in. ► Passive Real Estate Investing: [//Camera Gear Used: My Camera - \[amzn.to/3p7Vdxh\]\(http://amzn.to/3p7Vdxh\) My Lighting - \[amzn.to/38oBHH2\]\(http://amzn.to/38oBHH2\) My Camera Remote - \[amzn.to/3k4pqtM\]\(http://amzn.to/3k4pqtM\) My Microphone - \[//TOOLS & SERVICES I USE: ○ Keyword research tool for YouTube \\(TubeBuddy\\) - \\[tubebuddy.com/GarrettGlaser\\]\\(http://tubebuddy.com/GarrettGlaser\\) SEND ME STUFF: PO Box 354 Rose Hill, KS 67133 DISCLAIMER: Links included in this description might be affiliate links. Mobile Home Exterior | Paint | Before and After Reveal

We finally painted our 1995 single wide mobile home exterior. For the roof we chose Graphic Charcoal by Sherwin Williams and for the exterior we chose Eclipse by Sherwin Williams. Since our home is 80ft long we decided to stick with a darker color palate. This also hides the home from our somewhat busy road. We could not believe the dramatic before and after of our home. What a difference \$1200 paint job makes. Thank you for following along and as always thank you for subscribing.
