**www.mhomebuyers.com > how-much-scrap-metal-is-in-aFAQ: How Much Scrap Metal Is In A Mobile Home?**

Oct 27, 2017 · Scrapping a mobile home is not an easy process. Neither is the decision to scrap it in the first place. To compound the problem, there are very few resources available online to give you some handy, and much, needed advice.

**www.mhomebuyers.com > mobile-home-scrap-valueMobile Home Scrap Value: Deciphering Trash From Treasure**

Dec 12, 2017 · So before you decide whether or not scrapping your mobile home is the right decision for you, take a look below for some key indicators of your mobile home scrap value. Ferrous vs. non-ferrous The first thing you should know about mobile home scrapping is the difference between ferrous and non-ferrous metals .

**www.mhomebuyers.com > sell-a-mobile-home-for-scrapHow To Sell A Mobile Home For Scrap And What You Can Expect**

The most important points to consider while conducting your research include: 1. how to deconstruct your mobile home 2. tools you should use 3. permits you should have 4. where you can go to sell your scrap materials 5. how to transport your scrap materials 6. and finding people who could possibly buy and transport your scrap materials for you. For the last point, you need to know what's valuable and what's not. Of course, one man's trash is another man's treasure. But in general, there will be things in your home that are worth selling. Research the going prices for used materials, interior fixtures and furniture. Knowing the worth of scrap metalslike aluminum, steel, and copper is necessary. When you list your items for sale, being knowledgeable about pricing can help you avoid being cheated. If you'd like to sell your mobile home for scrap submit your info below... You may be able to sell your entire mobile home to your local contractor or scrap dealer, so check to see if there is...

### Making \$60/hr Selling Scrap Metal! (Scrapping & Recycling Scrap Metal)

In this video we get scrappy by scrapping! I show you how you can make money with scrap metal. Virtually everyone has scrap metal and wants to get rid of it. You can collect that scrap and be a "scraper" by recycling the scrap metal and selling the scrap metal. Watch the full video to see me explain how to make money selling scrap metal in Indiana. We used lots of washers and dryers and fridges but you can use anything that is primarily metal! This is a very easy way to make a quick buck on the side if you have the space to store the scrap metal and haul the scrap metal. Hope you loved that video.
