MY SALARY AS A CONVENIENCE STORE OWNER.

How much money I really make owning a convenience store... NO one can ask how much money you make.... but sometimes i don't know why it is such a big deal. How much money you make while owning a small business is even more interesting because most people wouldn't have an idea like they would for other more traditional Jobs. An example of this would be we have a general good idea on how much a teacher or nurse makes in our area but have no idea how much the deli owner down the street makes at the end of the year. There are so many variables in the small business industry and I hope to uncover all the questions we possibly can.
