Rubber mulching your garden is easy, and many city parks use it for playground mulch because it is environmentally respectful, and they won't have to replace it every year. If they install 6" of Vigoro rubber mulch for example, that will protect kids from a 14 foot drop. these recycled tire products converted into rubber mulch will keep those city parks looking new for years to come. What is the best mulch to buy? For your next mulching garden project, try a sampling of wood mulch and some recycled tire

rubber mulch, and test both out. See which works best for you, wood mulch vs rubber mulch. Home depot mulch is mostly Vigoro mulch in our area, and NoFloat Mulch, see what they have in your store.

**Black Mulch Dangers**

Black Mulch Dangers. Mulch has many positives: It stifles weed growth, helps the soil retain moisture and keep cool, and makes the garden look neat and manicured. If the mulch is organic, it also adds nutrients to the soil as it slowly breaks down. Not all mulches are equally beneficial -- some can be downright harmful. Black mulches, depending on...
