Home Depot Manager SNAPS!!!

old lady just jumped me on the line after waiting for over 10 min. When I asked her why she skipped the line she responded with "Shut the F*** up" I pulled my phone and started to record. She implied that I should not record her and that she was CALLING THE POLICE.. I started to record. She requests for the manager, I reiterated to her that she can call the police and the manager as she had exclaimed as I had not done anything wrong. From there it goes left... A Home Depot manager arrived and spoke to me very calmy, from nowhere another Home Depot mngr blind sided me from my right. Home Depot Mr. Gabe was very "pRoFessional" Home Depot Mr Gabe did not care to know what had happended. I think it's important to stress the overall landscape of your offer, not pinching for very dime and nickel. In other words, let your work do the talking!!! Then again, I've never get the need to ask for a raise given my blue collared hard work approach so feel free to stop by and shoot some feedback, sharing with others your knowledge on the subject matter.
