Buying A Liquidation Home Depot Pallet | I Got Burned | Buyer Beware

In this video I show you how I got burned by a seller on the Facebook Marketplace. He was selling Home Depot customer return liquidation pallets and I fell for his dishonest sales tactics. I was anxious to buy something to get started on my wholesale liquidation journey, I ended up buying a very bad pallet and ultimately lost time and money on the deal. In the end I learned a valuable lesson in what to look for and how to spot a dishonest seller. If you have any questions, feel free to reach out to me and ask any questions. Not every seller is trying to rip you off; I do however believe this guy is probably doing the same to other people. facebook.com/ForeMoney-105495781085949 instagram.com/fore_money/ #wholesale #liquidation #customerreturns SPORTING GOODS UNBOXING youtu.be/bEPc32DinUQ AMAZON UNBOXING youtu.be/V9Jbq0XhYT8 GOLF UNBOXING youtu.be/RUYqaY4E00s
