Home Health Aide Salary | How Much Money Does a Home Health Aide Make

Home health aides provide routine individualized healthcare such as changing bandages and dressing wounds, and applying topical medications to the elderly, convalescents, or persons with disabilities at the patient's home or in a care facility. Home health aides also monitor or report changes in health status, and sometimes provide personal care such as bathing, dressing, and grooming of patient. There are no formal education requirements for home health aides, but most aides have a high school diploma. Home health aides working in certified home health or hospice agencies must get formal training and pass a standardized test. registerednurses.com/home-health-aide-salary-how-much-money-does-a-home-health-aide-make/

Homemaker and Home Health Aide Care for Veterans

The Homemaker and Home Health Aide Care program enables enrolled Veterans, who meet the criteria of need, to receive personal care services in their homes by a trained aide. Services can include activities of daily living (ADLs), light housekeeping, shopping, letter writing and others. These in-home services help the Veteran to remain in the comfort of their own home and with their family. Caregivers also benefit from the additional support. Watch the video to hear what home health aides and Veterans and their families have to say about this program.
