Highlight Your Hair Like a Professional Stylist at Home | How to Highlight Your Hair Tutorial

This video shows you how to highlight your hair like a professional stylist. I will show you how to apply "babylights" to your hair. You will learn how to weave and use foils to highlight your hair. I will show you how to mix bleach and developer, how to weave your hair, how to apply product to your hair and how to use foils. I also will show you the products I use to tone my hair. If you aren't able to get in to see your stylist but still want to have your hair highlighted, I will show you how to achieve beautiful highlights.
